

PETS. CHANGE. PEOPLE.

# Peninsula SPCA

Your donations and community support at work:  
2018 by the numbers...

## 913 Lives Saved in 2018!

That's the number of pets whose lives were saved through adoption at the Peninsula SPCA in 2018.

### 345 Pets Transferred to PSPCA

We work with local & regional rescues and high-kill shelters to transfer pets to our facility to save even more lives!

### 548 Pets Spayed or Neutered

More than 500 pets spayed or neutered so they are unable to contribute to the community's homeless pet population.

### 1,400 Pets Vaccinated

More than 1,000 pets vaccinated against preventable diseases like Rabies, Canine Influenza & Distemper, keeping our pets safe by protecting more pets in our community.

### More than 40 Animals Cared for in Foster Homes

From caring for newborn kittens and puppies to providing quality of life for terminally ill pets, our foster families do it all!

### 320 Volunteers

That's 640 helping hands assisting us with shelter operations, animal care and education through more than 5,000 hours of service.

### 6,019 People Reached through Education

That's hundreds of humane education programs reaching more than 6,000 students and families in our community through outreaches, field trips, school programs, public programs and more!

### 14 Heartworm Positive Dogs Treated

Caring for and treating heartworm positive dogs so they can get healthy and happy and find forever homes.
