

Your donations and community support at work

# 1,133 Lives Saved in 2023!

That's 1,103 adoptions, seven pets reunited with their owners, and 23 pets returned to their owner through our Safekeepers program.

**600 Pets Surrendered by their Owners**

600 pets who safely found shelter and medical when their owners could no longer care for them.

**568 Pets Transferred to PSPCA**

We work with local & regional rescues and shelters to transfer pets to our facility to save even more lives!

**945 Pets Spayed or Neutered**

That's nearly 1,000 pets who are unable to contribute to the community's homeless pet population.

**1,325 Community Pets Vaccinated**

Community pets vaccinated against preventable diseases like Rabies, Canine Influenza & Distemper, keeping our pets safe by protecting more pets in our community.

**202 Volunteers**

That's 404 helping hands assisting us with shelter operations, animal care and education through 3,380 hours.

**6,370 People Reached through Education**

Hundreds of humane education programs reaching students and families in our community.

**285 Animals Cared for in Foster Homes**

From caring for newborn kittens and puppies to providing quality of life for terminally ill pets, our foster families do it all!

**23 Pets & Owners Kept Together**

Through our safekeeping program, owners facing temporary homelessness, medical issues and more, were able to keep their pets.
